

ixROVER MODEL Buggy

Up to 264.5 lb

Versatile stroller made from an ultra light alloy for use in extreme terrains.

For children and adults with limited mobility. Variable, ergonomic and comfortable.

The anatomic shape and adjustability along with flexible padding provides a comfy seat for riders with varying needs.

The seat adjusts from fully upright to lying flat. The stroller is also equipped with removable padding, attachable carry bags, drum brakes with parking lock, changeable wheels for year-round use in all weather and terrain and an adjustable handle to make pushing a breeze.
