Attn: Peter Kral
3500 Pembroke Dr.
Sarasota, FL 34239

Dear Peter:

Thank you for your generous donation of an iXROVER multi-functional outdoor stroller and bike trailer in support of the Thunder By The Bay Music & Motorcycle Festival’s silent auction.

Last year the Coronavirus pandemic limited our fundraising efforts, while the need for program and service funding significantly increased among all the local non-profit agencies funded by Suncoast Charities for Children. Your donation helped us raise additional revenue that will have a far reaching impact on over 8,000 children, teens, and adults with special needs.

Thanks again for your generosity and support. Our community is fortunate to have a business like your, and I wish you much success!

Sincerely,

Lucy V. Nicandri
